# French Club – Fall 2022

[French Club is a registered student organization](#) that focuses its activities on the French language and Francophone culture. We encourage anyone who is interested in learning about the French language/culture to join. The purpose of French Club is to improve its members' proficiency in the French language and expand the knowledge and enjoyment of French and Francophone culture. Some of our social events include eating at local French restaurants, watching French movies, and more. French Club also aims to give back to the French community of Madison through volunteering events and raising money for the organization with fundraising events.
